Amin Talati's George Carrera to Present at BevNET's Beverage School 2013

Chicago – George Carrera, a registered patent agent at Amin Talati, is presenting at BevNET's Beverage School on June 3<sup>rd</sup> in New York City. The event precedes BevNET Live 2013 held on June 4<sup>th</sup> and 5<sup>th</sup>.

Beverage School is geared toward early stage beverage entrepreneurs with emphasis on supply chain management, sales and marketing, and other important business tips and industry information for startup companies. Beverage School is exclusively open to attendees of the two day forum BevNET Live.

Amin Talati is a law firm specializing in FDA, FTC, patent and trademark counsel for the food and beverage industry. The highly trained attorneys provide a wide range of services in all fields of intellectual property. Mr. Carrera will outline cost effective ways to identify and develop untapped intellectual property assets through his presentation titled Discovering and Protecting Your IP. He is set to present at 4:30 p.m.
